MARK TOOMBS SELECTED TO FIGHT DEAN ROW!

County Councillor Adrian Bradley is delighted that local campaigner Mark Toombs has been selected by local Liberal Democrats to fight Dean Row Ward on 3rd May.

STREET BOOZE BAN

With the support of local LibDem Councillor Adrian Bradley, Macclesfield Council have now introduced the new Alcohol Consumption in Designated Public Places order, which gives the Police the power to require a person, in a designated area, not to drink alcohol. This does not automatically ban street drinking but it will give the police discretion to act when circumstances demand.

Lib Dems Launch New Crime Survey

Working with Wilmslow North LibDem County Councillor Adrian Bradley, Mark has set up a new Crime Survey for Dean Row ward. Here you can let us have your views online, whilst also finding out what Mark and your LibDem team are doing on your behalf to make Dean Row a better place to live. You can answer the crime survey at

Lib Dems Campaign for Road Safety

Cheshire County Council is making Speed Indicator Devices (SID) available as part of the campaign to reduce excessive speed on our local roads.

Mark says 'Research has confirmed that SIDs can have a positive impact on driver's behaviour. I want areas around Dean Row Primary Schools and the Shopping complex registered as SID locations.'

Published and Promoted by E Goodwin on behalf of M.Toombs (Liberal Democrats) all at Pownall Hall Farm, Broad Walk, Wilmslow. Printed by FPS 5 Handforth Road, Wilmslow.

Mark Demands Plastics Recycling

At a recent meeting with Lib Dem Shadow Environment Minister, Chris Huhne MP, Mark Toombs & Adrian Bradley discussed the issue of waste recycling. One of the big issues is the collection of plastics. Macclesfield Borough Council has no plans for a kerb side collection despite 53% of household goods being packed in plastic. Some Councils are now collecting plastic at the roadside, however Macclesfield Borough doesn't. Currently we recycle only 7% of plastic.

Mark has written to Macclesfield Borough Council Waste Management to ask for a Recycling Bank at the Summerfield's shopping complex.

Action on Roads & Footpaths

Mark Toombs has written to the Area Highways Engineer, to draw attention to defects in public rights of way.

Mark has also called for action to deal with the problem of 'A' boards outside shops and other businesses. He is concerned about these boards making the pavements dangerous and difficult for disabled people to negotiate. He is calling on the local council to exercise better control.

Is there a path or road near you that needs attention? Please let us know if there is anything we can do to help, by sending an email to mark.toombs@yahoo.co.uk
